

Dear Sir/ Ma'am,

Greetings from TÜV Rheinland!

We are glad to introduce our updated training calendar with specific training modules as below ! We request you to go through the same and nominate yourself or key people from your organization for our training program based on your requirement & suitability.

**We are looking forward to receive your number of nominations for the programmes. We would appreciate it if you can support us by forwarding this email to your HR/ Learning & Development Team for more participation**

Training on Electrical Safety	Training on ISO 45001:2018 Awareness																		
Open House- Bangalore- 21-22 May-2018	Open House																		
																			
<p><b>COURSE DESCRIPTION</b></p> <p>Our Training faculty covers the following topics as broader electrical operational and safety aspects. Course aide would be PowerPoint slides and audio visual aspects.</p> <p><b>BENEFITS</b></p> <ul style="list-style-type: none"> <li>• Legislation and Safety</li> <li>• Basic Electrical Principles</li> <li>• Electric Shock &amp; its effect on the Human Body</li> <li>• Electric Arc Flash</li> <li>• Electrical System Protection</li> <li>• Dead Work and Lock Out/Tag Out</li> <li>• Live Work – Definitions, Requirements &amp; PPE</li> <li>• Electrical Equipment Walk down – Highlighting potential electrical hazards</li> </ul> <p><b>COURSE CONTENTS</b></p> <ul style="list-style-type: none"> <li>• Requirements for operators</li> <li>• Duties and expectations of the electrical personnel</li> <li>• Legal aspects of electrical operations and electrical safety in India (IER) as well as global best practices in Electrical operations (NFPA Code etc.)</li> <li>• Personal Protection Equipment (PPE), installations, aides for electrical operational risk mitigation Electrical grid structures (radial system, ring system, meshed system)</li> </ul>	<p><b>Are you ready for ISO 45001?</b></p> <p>The new standard for Safety Management System, ISO 45001, was published in March 2018. To facilitate the adoption of the new standard, or transition from OHSAS 18001, attend our Awareness Seminar.</p> <p>This exclusive seminar introduces participants to the new standard and equips them with explanations on key terms, definitions and significance of context under ISO 45001:2018 occupational health &amp; safety management system. Participants will learn key changes to the requirement between ISO 45001:2018 and OHSAS 18001:2007 together with the expected conversion process and timeline.</p> <table border="1" data-bbox="837 1646 1552 2027"> <thead> <tr> <th>Location</th> <th>Date</th> </tr> </thead> <tbody> <tr> <td>Pune</td> <td>25<sup>th</sup> May</td> </tr> <tr> <td>Bengaluru</td> <td>24<sup>th</sup> May</td> </tr> <tr> <td>Delhi (NCR)</td> <td>28<sup>th</sup> May</td> </tr> <tr> <td>Ahmedabad / Vadodara/ Gujrat</td> <td>26<sup>th</sup> May</td> </tr> <tr> <td>Kolkata</td> <td>26<sup>th</sup> May</td> </tr> <tr> <td>Hyderabad</td> <td>5<sup>th</sup> June</td> </tr> <tr> <td>Chennai</td> <td>8<sup>th</sup> June</td> </tr> <tr> <td>Coimbatore</td> <td>12<sup>th</sup> June</td> </tr> </tbody> </table>	Location	Date	Pune	25 <sup>th</sup> May	Bengaluru	24 <sup>th</sup> May	Delhi (NCR)	28 <sup>th</sup> May	Ahmedabad / Vadodara/ Gujrat	26 <sup>th</sup> May	Kolkata	26 <sup>th</sup> May	Hyderabad	5 <sup>th</sup> June	Chennai	8 <sup>th</sup> June	Coimbatore	12 <sup>th</sup> June
Location	Date																		
Pune	25 <sup>th</sup> May																		
Bengaluru	24 <sup>th</sup> May																		
Delhi (NCR)	28 <sup>th</sup> May																		
Ahmedabad / Vadodara/ Gujrat	26 <sup>th</sup> May																		
Kolkata	26 <sup>th</sup> May																		
Hyderabad	5 <sup>th</sup> June																		
Chennai	8 <sup>th</sup> June																		
Coimbatore	12 <sup>th</sup> June																		

- Electrical safety utilities e.g. circuit breaker, earth fault breaker, power switch, fuses, transformers, transducer Hazard, risk assessment risk mitigation from electrical operational standpoint
